Tim Rowe Memorial Sweetwater Pass Ride: Full and Half Distance Options Sunday, October 6, 2019

David Scarborough, Fall Century Coordinator

We're closing out the 2019 ride season with our annual fall ride held in memory of Tim Rowe.

For the full distance we will start at 9:15am from CG Bar and Pizza in Wellington, NV and ride to Bridgeport, CA back and forth over Sweetwater Pass. For the half distance start at noon and ride to the top of Sweetwater Pass, meet the group returning from Bridgeport, and ride back to the start.

There will be a club rest stop on top of Sweetwater Pass. Participants will be on their own for support in Bridgeport. Food is available there so bring money for that, if needed. Upon returning to Wellington, the club will buy all participants pizza so don't eat too much before hand! (You buy your own beverages.) Parking at the start is limited, so for the full distance we'll meet at Lampe Park in Gardnerville at 8:15am to carpool. We'll roll out of Wellington at 9:00am so get there before 9:15am and be ready to roll. The whole ride is 88 miles, the half ride is about 41 miles. We start on Wellington Cutoff (NV SR 829) out of Wellington. The route to Bridgeport involves a very gentle and scenic climb to Sweetwater pass on NV state route 338. The rest stop will be located roughly half of the way to Bridgeport close to the highest point of the ride. We'll have water and snacks there.

This is followed by a descent to the East Walker River. We cross into California and follow the river, ride around Bridgeport Reservoir, and reach Bridgeport.

This is a great time of year to ride as the weather isn't too brutal and the roads are less busy with traffic. It's also a great time to catch up with what's been going on with fellow club members and doing it at a leisurely pace. Pizza will be served when the group returns—around 4:00pm.

Please RSVP by October 1, if possible, so we can get a rough idea of how much pizza to order.

RSVP to: davescar30@gmail.com or 530-318-7878.

King-of-the-King Kingsbury Time Trial Saturday, September 28

This is the third and final chance to get an official time for the Kingsbury climb in the 2019 riding season. Allan Biaggi is hosting this race. It's not part of the Thursday race series so the format may be a little different. Registration opens at 8:30am and the first rider goes off at 9:00am. There will be snacks at the finish and results will be announced so plan on hanging out for a little while at the finish.

Race Timing Chips

We need to get back all the race timing chips so we can refurbish them for next year.

If you haven't yet returned your chip and you aren't bringing it to the Kingsbury Time Trial, please mail it back to the club at:

Alta Alpina Cycling Club PO Box 2032, Minden NV 89423

Include a self-addressed stamped envelope (SASE) so we can return your deposit.

AACC Weekend Rides-October

Rick Miyashiro, Weekend Ride Coordinator

Our rides accommodate participants with a wide variety of riding speeds and we plan on regular regroup points. The average net speed (including regroup/rest times) is typically 10mph. For example, we'll typically be back at the start after 4 hours for a 40 mile ride. Faster riders are encouraged to circle back at regroup points or to take some time to socialize.

Sunday, September 29, 2019 — Genoa to Woodfords

Meet and be ready to ride at 10:00am from Genoa Town Park Park on Nixon St. This is a recovery ride after Saturday's Kingsbury Time Trial. We'll ride out to Diamond Valley via Foothill/Fredericksburg with a climb up Emmigrant Trail. We'll ride the Diamond Valley loop and return. There will be snacks and drinks back in Genoa afterwards.

Sunday, October 6, 2019 — Tim Rowe Memorial

The annual Tim Rowe Memorial Sweetwater Fall Ride marks the end of our weekend ride program for the season. We depart from the parking lot of CG Bar's in Wellington at 9:15am. To carpool to the start meet before 8:15 am in Lampe Park in Gardnerville. We ride from Wellington to Bridgeport over

Sweetwater Pass and back. There will be a rest stop with snacks and drinks at the top of Sweetwater Pass in both directions but we recommend bring money for food in Bridgeport. At the end of the ride we'll celebrate the end of the season with pizza for everyone. The full distance is about 84 miles

Saturday, October 12, 2019 — Highway Cleanup

Meet at Turtle Rock Park at 9:00am for the club's final Adopt-A-Highway clean up of Highway 89 for 2019. Refreshments/snacks to be provided pre and post clean up. We'll ride Ebbetts or Monitor after the clean-up. Choice of route will be left to the participants in the highway cleanup.

Presidential Posting

Nigel Leigh, President

Boy, have I got some exciting news for you!

But first you'll have to put up with some blathering about the big Rose to Toads mtn bike ride that a few of us did early this month. That was myself, Jim Wire, and a couple of not-yet-in-Alta-Alpina-friends. Astonishingly, not only did all 4 of us survive long enough to complete the 60+ miles of grueling single track, but one was even the first finisher. For me, two techniques really helped (and are equally applicable to road rides):

- Keep your stops short. Really short. Refuel, re-water, go. Save the relaxed chatter at the loaded food table for after the ride. My 8 1/2 hrs elapsed time included only 1/2 hr of stops.
- Wet t-shirts are great. Not just to look at, but to wear. On the hot afternoon climbs, of which there were many, a biking shirt stripped off, thrown in a cold mountain stream, wrung-out and re-donned, was my savior. No need to sweat, lose electrolytes and cramp up, when you're wearing a personal swamp cooler.

Just before we get onto the exciting news, I had a realization recently: that having to write a posting every month is not only a burden. Its also an opportunity to have a rant. To gripe about whatever gets up the presidential nose. The mind remained blank for some time, but then three revelations emerged from the fog:

- Recycle. California is pretty good at this but Nevada is atrocious (Douglas County anyway). As cyclists, enjoyers of nature and the great outdoors, lets make sure we set the very best example here.
- Cycle lane? Use it! When driving a car on one of the few roads around here with cycle lanes, its annoying to find some cyclists are still riding in the vehicle lane. Not good for driver-cyclist relations.
- Stop off the road. Similarly, when stopping during a

club ride, or before and after club races, we seem to have a habit of sprawling onto the road. Not only is this slightly rude, its slightly dangerous.

Right, end of rant!

Now I should remind you that the end-of-year dinner & annual general meeting is not that far away, in November. So its time to decide who you are going to nominate for a slot on the board. Lets work together to have at least two nominations for every position, so the voting is tense and heated. Especially for the position of president, that lame bloke has to go! Other voted positions: Vice Pres, Secretary, Treasurer, Membership, Ride Director.

Now didn't I have something exciting to tell you? What was it again...?

That's it. We have an opportunity to get back involved in the Death Ride again! In case there's anyone who doesn't know the history, here's an abridged version: Death Ride started in 1981, within a few years the Alta Alpina club was formed around supporting and promoting the event. That worked, it got bigger, too big for a club of volunteers to run. A partnership was formed with Alpine County Chamber of Commerce. Then in 2007 the Chamber somehow shoved the club aside and has run the event ever since.

Over the years the board at the Chamber has gradually changed. It is now an enlightened group who can see that the standard of the event has slipped, its no longer by cyclists for cyclists, and that the cyclists are realizing this and staying away.

Its early days yet, but discussions are underway. Clearly if we take on a significant new load here, we'll need to lighten our volunteering & organizing load elsewhere. More to follow as this unfolds...

Gregg will go to Jethros as soon as he finishes racing and Frank will skip the race but go straight to Jethros with the other cash boxes so we have enough cash to return deposits.
